Work Experience

Dietetic Technician, Sous-Chef, Busser
Forest City Nursing and Rehabilitation
08/2017 – Present   *Forest City, PA*
Achievements / Tasks
- Consistent top performer, regularly completing tasks ahead of schedule.
- Consistently ensured best practices and safety regulations were met in accordance with management and state guidelines.
- Instrumental in dramatically improving and implementing updated dietary facility standards resulting in a pass of a high-stakes state audit.

Fullstack Software Developer
Freelance
08/2019 – current
Achievements / Tasks
- Offering a wide range of services for many different platforms. Website building, iOS applications, android applications, and UI/UX design.
- Being a fullstack software developer and creating on my own terms has shown me the marriage between the backend and frontend. A firm believer in MVC, architecture, modularity, and usability are all key.

Software Developer
Freelance Analytics
10/2019 – 01/2020   *Rochester, NY*
Achievements / Tasks
- Developed mobile applications for both the **iOS** and **Android** operating systems in a group of talented minds, having this experience built my ability to take **ownership of tasks** and work as a **team**; sharing strengths from a variety of concentrations to make innovative products.

Education

B.S. Computer Science
The Hajim School of Engineering at The University of Rochester
08/2019 – (Expected 2023)   *Rochester, NY*

Certificates and Awards

Xerox Award for Innovation and Information Technology
Recognized for my contributions and innovative solutions to complex problems in a variety of competitions.

Pennsylvania Computer Fair Regional Winner
Invented CloudCube: a sort of 'ad-hoc Google Drive' for users in rural areas of PA without internet.

Organizations

Computer Science Undergraduate Council
A council acting as a strong liaison between faculty, staff, and undergraduate students on important issues.

Pan-African Students Association
A group to promote better understanding of African culture to the student body.

Sigma Nu, Lambda Eta Chapter
